

## Bottom Line: Your Leadership Making a Difference

We're moving and shaking together to raise \$100,000 for sick kids and we'd like to invite you to be a member of our leadership team.

The Hospital for Sick Children has offered outstanding patient care, research and education since 1875, and has become one of the world's leading paediatric centres. Our campaign for the Sick Kids Foundation offers homebuyers, homebuilders and Realtors® a way to help thousands of children.

As a leader in our community, your participation will make a significant difference to the success of our campaign and the lives and health of many children. We know you can help us get a whole lotta shakin' goin' on!

Sincerely,

Please contact Rosemary Nault to respond to our invitation to make a difference.
